Extracurricular Activities

Ecosoc – Participated in a group with a focus on promoting and healing the environment around Muscat Oman. Within the group, advertisements would be created to entice people to participate in activities such as beach clean-ups and promote environmentally healthy living by reducing the amount of waste produced.

MESAC sports – Participated in multiple sporting event tournaments around the middle east. To list the sports: Football, Basketball, Athletics and Baseball. These events would host schools from Delhi, Doha, Dubai, Muscat. Our team would acquire countless sportsmanship awards.

Spartan Race – Participated and completed the Spartan Race within Muscat, Oman. This event is a 5K run with multiple strength activities throughout the duration.

Muscat Pirates – Rugby Club – participated in several intra gulf tournaments throughout the Gulf as a regular team member of the Muscat Pirates Junior Rugby Squad (usually placed position (9)).

Participated in several inter-school competitions representing ABA for football, baseball & basketball.

As per the ABA curriculum participated in charity work in the Local villages of Oman in year XX by helping to clean and clear the falaj

Completed a Barista course at Oman's National Training Institute (duration 1 week).

Awards

Maths's award – Math studies most improved award, Students achieve this award by showing a great improvement in mathematical skill throughout the academic year award.

Superintendent award – Obtained the Superintendent award alongside my fellow classmates for being the most achieved grade the school had seen, causing no issues for the staff, and obtained a high average grade.

EXPERIENCE

In my time in the Middle East I have travelled extensively through the Middle East, Far East and Asia, experiencing the various cultures and lifestyle in each country.▲
